From 15:00 Networking over coffee and cake

 Tuesday, 3 March 2026 | 12:00 to 16:00

 Representation of the State of North Rhine-Westphalia to the EU | Rue Montoyer 47, 1000 Brussels

 The event will be hosted by Ilka Wölfle, Director DSV.

Content of the event

The event places occupational safety and health at the heart of discussions as a strategic success factor for a strong and competitive Europe. Representatives from the German Social Accident Insurance, politics and business will discuss how a high level of occupational safety and health contributes to long-term economic stability and sustainable business development, and how existing regulatory frameworks can be further developed to remain fit for the future. In addition, practical case examples will illustrate how AI-enabled processes can efficiently support and further enhance the implementation and monitoring of occupational safety and health standards.
